Re: Public Records Request pursuant to M.G.L. c. 66, §10

Dear Mr. Ruccio:

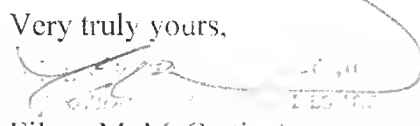

In response to your email to Nancy Lynch and City Solicitor Frank Wright dated November 10, 2012, I have made inquiries of relevant custodians of City records in connection with your public records request and report as follows:

In response to your first numbered request, enclosed is a list of businesses and addresses generated in connection with the City of Somerville's outreach regarding the Beacon St. Reconstruction Project. The City has no records responsive to your requests numbered 1.(a.) -- (f.), relating to telephone contact by the City's CTY system regarding the Beacon Street Reconstruction Project.

In response to your requests numbered 2.(a.)-(b.), while the City did send electronic notification to 383 email addresses on October 15, 2012 regarding the Beacon Street Reconstruction Project, the email addresses are being withheld from disclosure pursuant to Exemption (c), the privacy exemption, which applies to "any other materials or data relating to a specifically named individual, the disclosure of which may constitute an unwarranted invasion of personal privacy". G.L.c. 4, §7(26)(c). However, a copy of the text of the notification is enclosed. In addition, the City sent out electronic correspondence to its press list. A copy of the Somerville Press List is enclosed, together with a copy of the text of the correspondence that was sent to the members of this distribution list.

Finally, please clarify your requests numbered 2.(c.)-(d.), regarding use of the term "parcel post communication".

Very truly yours,

  
Eileen M. McGettigan  
Special Counsel
